

<p>Why is the world ignoring Myanmar's Rohingya?</p> <p>They have faced decades of discrimination but the Muslim minority's plight has garnered little international attention.</p> <p>Inside Story Last Modified: 23 Jul 2012 09:43</p> <p> </p> <p> <p>They have been persecuted and discriminated against for decades but few can even pronounce their name let alone know of their plight.</p> <p>"There is a lot of latent prejudice, racism, whatever you want to call it, inside Burma towards this community and it's playing out right now. It's not over by any means. It's a tinderbox and it could blow up at any time."</p> <p>- Brad Adams from Human Rights Watch</p> <p>Buddhist attacks on the Rohingya Muslims in Myanmar, formerly known as Burma, have picked up over the last few weeks following the rape and murder of a Buddhist woman in May.
